

From WBLI,

During the Holiday Season more than ever, our thoughts turn gratefully to those who have made our progress possible. We would like to express our sincere thanks for our association over the past year and look forward to continuing our relationship in the year 2012.

*In lieu of cards and in the spirit of community, we have made a donation to both
Feed Nova Scotia and the
Colchester Food Bank .*

**Best Wishes and have a
Happy New Year!**
