

Supporting Causes

WBLI staff support many community events and causes. WBLI were very pleased to help support “Movember”. The team, WBLI Pro-Mo Stars are pictured to the left in a group shot. Missing from the group, and pictured below: Greg Mosher, Brad Ritcey, Morley Norman and Chace Hynes.

Movember is the world’s largest charity event raising funds for cancer affecting men – specifically prostate cancer which affects 1 in 6 Canadian men in their lifetime. Each November, Movember invites men across the globe to grow moustaches (or Mo’s) while raising funds and awareness for men’s health.

After all of our fundraising, the WBLI Pro-Mo Stars were able to raise a total of \$2,124. This was WBLI’s 2nd year participating. It’s a great cause and we look forward to participating in “Movember” again next year. Thank you to everyone that supported our team and the cause.

Also, the DFK Network (including WBLI) raised a total of \$49,051 to date. Total raised across the globe was \$108 Million. Here is the link to the global totals by Country: <http://ca.movember.com/momoney/>
